## Mission

Since 1941, the Junior League of the Palm Beaches, Inc. has carried its mission of serving the unmet needs in Palm Beach County through the effective action and leadership of trained women volunteers. This year, as we come together to celebrate the accomplishments of our members and community partners, we ask you to join us in supporting our mission through the sponsorship opportunities presented for our Evening of Champions. It is only through the generous support of donors, whom we consider friends, that our volunteer organization is able to continue our service in the coming year.

All sponsorship opportunities are tax deductible. While each opportunity is named in conjunction with one of JLPB's community programs or issue-based impact areas, all funds received will be used to support the entire organization and are not in any way an underwriting opportunity for a specific program. Our organization operates solely on the generosity of our community partners and donors. We thank you for your consideration to partner with us to help continue our 82-year legacy.
